

THE KINGDOM OF THE CHRIST (23)
FIGHT FOR THE GOSPEL!
(2 SAMUEL 21:15-22)

1. *What did we learn last week from the shocking story in 2 Samuel 21:1-14? What was the take-away application for the Christian church today?*

2. ***Read 2 Samuel 21:15-22 (page 328).*** *What is the theme of this passage? How might such a theme be relevant to the Christian church today?*

3. *What kind of enemies did the named Israelites have to fight? How well equipped were those enemies? What would it have taken to fight them in the single combats described?*

4. *What was the outcome of these four single combats? Why are the giants described in verse 22 as falling “by the hand of David”? What are we being taught here?*

5. *What does all this say to the Christian believer today? What should every individual Christian expect to face? What does it mean to be in the church and live for Christ?*

6. *Why does God set his people within a war? How might this link to what we learned last week? With what weapons are Christians to fight? What will such fighting look like?*

7. *What has been tonight’s message? How should we respond?*
